Dear Ms. Billings,

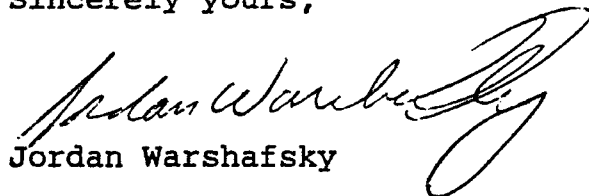

As we discussed, I am in receipt of your letter dated March 31, 1988 asking for information regarding the use of certain hazardous substances that might have been used by Selomas, Inc. while it was located at 950 Forge Ave., Norristown, PA 19403.

Selomas, Inc. has not been in business since October 15, 1987. Even while the company was operating, it did not have anything to do with the hazardous substances that are mentioned in your letter. Selomas, Inc. was solely a distributor of medical wound dressings imported from Europe. and never manufactured any product at the location in question.

I suggest you contact Mr. Charles Grande of the Seton Company. The Seton Company was one of the owners of the Selomas, Inc. joint venture and currently owns and occupies, in part, the Forge Ave. address.

I hope that this information will be of help to you. If I can be of any further assistance, please call me.

Sincerely yours,

  
Jordan Warshafsky
